## Job Objective

I started working as young as at the age of 21. My first job was at Delhi in Origin to Future a sub-contracted company to Jio. It was a Job related to Client Servicing in the telecommunication sector. But later I had to shift to Chennai and I started working in the Supply chain sector with a job in Reverse logistics Department as Associate from there I shifted to the transportation sector and joined Om Logistics worked there for very long time. After which I re-shifted to Delhi and went on to join Integrated Courier and Logistics as Assistant Sales manager but I want to explore.
